What can you expect at an ELRIG event?

Your customers, both future and current

Unlike most other life science conferences, ELRIG events are free to attend, making high-quality scientific programming accessible to all in the life science community.

Networking focus

All ELRIG events are structured to include plenty of networking breaks to maximize the amount of time our delegates spend with exhibitors. Even the refreshments are served in the Exhibition Hall so delegates have no reason to leave the area.

Scientific excellence

Expertly curated programmes of cutting-edge content, developed in collaboration with leading scientists. We welcome input from our exhibitor community and corporate partners who can showcase their scientific expertise in a sponsored presentation.

Carefully selected venues

In some cases, ELRIG events are held within pharmaceutical companies and open to all company scientists enabling the broadest possible engagement.

**Yesterday's technology
won't develop the
medicines of tomorrow**

Prof. Chris Molloy,
CEO, Medicines Development Catapult

Unrivalled reputation

Simply put, ELRIG events are renowned for their engaging programme, market-leading exhibitions and popular poster sessions in an inclusive environment.

Designed for exhibitors

Our exhibition pricing is all-inclusive: there are no surprises or hidden costs. Flooring, electrical supply and basic furniture are included.

So, too, are lead capture technology, and pre- and post-event digital marketing to:

- 22,000 ELRIG community members with distinct email addresses
- > 9,500 community members following us on LinkedIn, > 1,500 on X (formerly Twitter), and ~650 followers on Instagram

FEBRUARY

WORD+ 2026*

Conference supported by ELRIG
4-5 Feb | Cambridge, UK

Advances In Cardiometabolic Disease Research Through Innovative Tools

ELRIG Forum
Feb | Copenhagen, Denmark

MARCH

Cell & Gene Therapy 2026

ELRIG Conference
9-10 March | Cambridge, UK

APRIL

Innovations In Translational Models: Replacing In Vivo Models With Complex Cellular Systems

ELRIG Forum
April | UK

MAY

Advances In Cell-based Screening In Drug Discovery

ELRIG Conference
6-7 May | Gothenburg, Sweden

JUNE

For exhibition options visit oxfordglobal.com/discovery-development/events/discovery-development-europe/why-sponsor

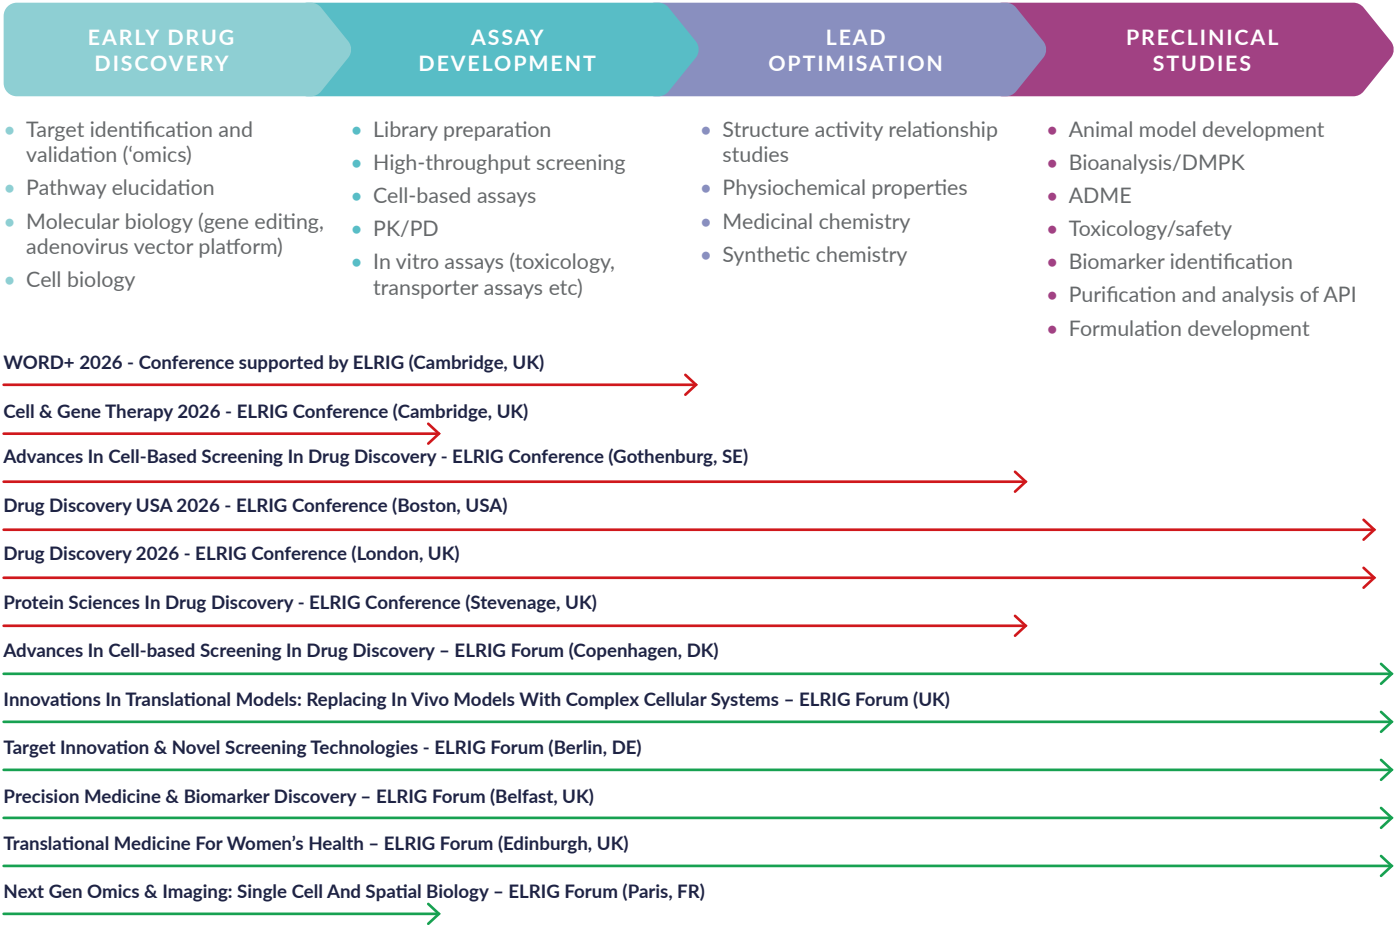

Conferences

Conferences are two-day events with at least 15 presentations devoted to the spectrum of scientific disciplines that make drug discovery possible. Each conference features an exhibition that runs concurrently with the scientific programme, creating an environment conducive to networking and collaboration. Delegate numbers range from 300 – 3,500. For more details on delegate statistics and programming, please see the relevant event flyers which can be found at elrig.org/exhibit-at-an-event.

Forums

ELRIG’s forums are one-day events with six presentations, the programme allows an in-depth exploration of a single theme. The forums are ideal for broadening your perspective while connecting with 100- 150 like-minded delegates in an informal atmosphere. Due to the more informal nature of the forums and venue size, the exhibition has three options, always including a Forum partner with a 15-minute presentation, six Forum exhibitors each with a 5-minute presentation and up to five table-top spaces (dependent on the venue size).

The infographic below demonstrates the applicability of each conference and forum across four key stages of research:

Exhibition, presentation and sponsorship options

Exhibition

- GDPR-consented registration and attendee email list for a one pre- and one post-event email;
- Lead-capture capability within the event app (for booth staff registered as exhibitors);
- Company listing in event website, programme and app;
- 250-word company overview with hyperlinks within the event app;
- Marketing suite of graphics.

All-inclusive exhibition space: Shell scheme (Drug Discovery) or table-top (all other events) booth, with furniture (1.8m x 0.7m table, 2 chairs), carpeting and electrical supply (one socket) included. Two meeting passes (3 in the case of Drug Discovery) are included.

Additional exhibition passes are available, cost varies dependent on event.

Sponsorship

Event app sponsorship: Footer banner on splash, home and agenda screens, can include URL or QR code

Scientific track sponsorship: Logo on holding slides, in pdf programme and on the event website

Refreshment break sponsorship: Strut cards on coffee stations, logo / QR code on holding slides, in pdf programme and on the event website

Chair drop: Flyers / brochures (supplied by exhibitor) on every seat in auditorium (one per track)

Exhibitor workshops: Availability dependent on programme and venue

Presentation

All presentations must be purchased alongside an exhibition space or sponsorship of equivalent value.

Technology Spotlight: Increase your visibility and increase booth footfall with a 5-minute Technology Spotlight presentation package. The Technology Spotlight presentation is integrated into the scientific programme.

Industry Insider: Highlight a specific offering and reinforce your message with a compelling case study in a 15-minute podium presentation included within the main programme. Speaker information and abstract are posted in the app and online program. An effective way to demonstrate your expertise and innovations.

Conference Partner: Showcase your latest breakthroughs, leading-edge technology or product updates to the entire audience in a 30-minute presentation (equivalent in length to that of an invited podium presentation). The content of your presentation must align with the track theme and explore the need for and science underpinning your innovation while not being overtly promotional. Speaker information, title and abstract are included in the app and webpage, and speaker and title are listed in the printed programme. Additionally, for Drug Discovery you will receive two invitations to the Chair's reception.

	Exhibition space	Technology spotlight (5 minutes)	Industry Insider (15 minutes)	Conference partner (30 minutes)
Cell & Gene Therapy	£4,550	£1,000	£3,000	£6,000
Advances in Cell-Based Screening in Drug Discovery	£4,550	£1,000	£3,000	£6,000
ELRIG's US Conference	£5,100	£1,000	£3,000	£6,000
Protein Sciences in Drug Discovery 2026	£4,550	£1,000	£3,000	£6,000

	Event app sponsorship	Scientific track sponsorship	Refreshment break sponsorship	Chair drop	Additional exhibitor pass
Cell & Gene Therapy	£3,500	£1,500	£1,000	£1,000	£100
Advances in Cell-Based Screening in Drug Discovery	£3,500	£1,500	£1,000	£1,000	£100
ELRIG's US Conference	£3,500	£1,500	£1,000	£1,000	£100
Protein Sciences in Drug Discovery 2026	£3,500	£1,500	£1,000	£1,000	£100

Discounts

Discounts are available for either multiple event bookings or multiple booths booked at the same event as shown in the table to the right:

Multiple booking type	2	3	4	5+
Number of booths at the same event (% discount)	5	8	10	12
Number of events (% discount)	5	8	10	12

Terms and Conditions

- Discounts apply to additional standard exhibition spaces/events only.
- Discounts only apply to standard pricing, not to package or early-bird pricing.
- Discounts detailed below for 3 or more exhibition spaces are only available when all spaces are booked at the same time. Should additional exhibition space be booked subsequent to an initial booking, a 5% discount will apply irrespective of number.

Drug Discovery 2026

2026 marks the 20th anniversary of Drug Discovery, ELRIG's flagship conference and a highlight of the UK life science year!

With our largest conference space ever, we will have 14 tracks of scientific content, over 250 companies represented in the Exhibition Hall and some special features for our anniversary!

Join us on 14-15 October 2026 in Excel, London

Cameron Event Logistics – official event services provider

- Easy Stands
- Custom Build Stands
- Shell-scheme upgrades
- Signage & graphics
- Furniture & Carpet

Our design team are on-hand to work with you to create a stand that is right for your space, brand and budget. We bring your ideas to life and pride ourselves on creating high impact stands worldwide. info@cameronlogistics.co.uk

Showguide

DD26 Showguide will be produced in partnership with Drug Discovery News, a copy is given to all delegates. Advertising options include full page and half page adverts, third-party email and Exhibitor Directory options are available.

Partner Offers

Chair drop	£750
Additional exhibitor passes	£50

ELRIG BREAKTHROUGH ZONE

The Breakthrough Zone at ELRIG's Drug Discovery Conference is dedicated to start-up companies to showcase their science. To be eligible to participate in the Breakthrough Zone and enter the ELRIG Innovation Award competition, your company should have fewer than 25 full-time employees and/or a turnover < £2.5M.

Included are two delegate passes, an A0 poster space with tabletop area, a blinded GDPR-compliant delegate list for pre- and post-event outreach and access to the Event App's exhibitor features including lead capture.

Plus the opportunity to compete for ELRIG's coveted Innovation Award which entitles the winner to a 10-minute presentation on the main stage and refund of the exhibiting fee and 12 runner ups who will get a ten-minute presentation in the Breakthrough Zone Theatre.

Breakthrough Zone cost: £500

The Scientific Consultancy Café is an exclusive space for independent consultants to hold pre-arranged meetings in the exhibition hall. Passes include a delegate pass, allocated times for meetings (minimum 1 hour), blinded GDPR-compliant delegate list for pre- and post-event outreach and access to the Event App's exhibitor features including lead capture.

Eligibility criteria:

- Consultancies must have less than 5 consultants.
- Maximum of two passes per consultancy.

Consultancy Café pass cost : £150

Webinars and networking sponsorship

ELRIG's webinars and networking events encourage broad participation across our community. These events underscore our ethos that everyone is welcome, irrespective of seniority or location. While there are no formal exhibitions in this event category, interested organisations can enhance their visibility by sponsoring our webinars and networking events. In-person events are hosted at multiple locations. Detailed pricing is available upon request for both online and live events.

Our Early Careers Professionals Workgroup supports the next generation of scientists through a programme of webinars and in-person sessions at ELRIG conferences, sponsorship is available for the year or by event upon request.

ELRIG's Innovation Workgroup provides opportunities for young and innovative companies to promote their products, services and therapeutics at our events. For those entrepreneurs wanting to start their own companies, help is available through webinar and in-person presentations covering funding, intellectual property, commercialization and human resources. Again, sponsorship is available for the year or by event upon request.

ELRIG event checklist, FAQs and support

Exhibitor checklist

Before an event

No later than 30 days before*:

- Send a high-resolution copy of the company logo.
- Confirm the corporate name under which the company will exhibit.
- Register exhibitor staff via the Exhibitor Portal.
- Ensure exhibition staff download the ELRIG app and familiarise themselves with the lead capture features.

No later than 7 days before:

Provide ELRIG with an Insurance Certificate documenting that the company has Public and Employee Liability Insurance of at least £1M. Certificates should be sent to events@elrig.org.

*No later than 45 days before the event for inclusion within the conference programme

Cancellation fees

The cancellation fee payable by an exhibitor will be determined by when the notice of cancellation is given relative to the timing of the event. Full terms and conditions can be found at: elrig.org/terms-conditions

Payment terms

Payment terms are net 30 days of the issue date of the invoice or at least 7 days before the commencement of the event, whichever is sooner.

Exhibitor FAQs

General information can be found at: elrig.org/exhibitor-information

FAQs at: elrig.org/exhibit-at-an-event

Exhibitor support

ELRIG aims to support our exhibitors across the whole year, not just at our events. For this purpose, ELRIG has developed a network of partners that offer our community both free and discounted services, such as media, marketing, communications and sales training. For the latest offers see the specific event webpage.

About ELRIG

ELRIG is a world-leading, not-for-profit organisation dedicated to advancing the drug discovery community. Our mission is to promote open access to cutting-edge research and innovation by connecting life science professionals through inclusive, free-to-attend scientific conferences and networking events.

With a dynamic community of over 25,000 members, we provide a platform for learning, collaboration, and progress on the most pressing challenges in life sciences. We are passionate about fostering diversity, inclusion, and accessibility—ensuring our events reflect a wide range of global perspectives and experiences that inspire scientific discovery and drive the industry forward.

ELRIG's Vision

To be the premier champion and enabler of an open, connected, diverse and sustainable drug discovery and life science community.

Strategic Priorities

Enable drug discovery by improved connections between stakeholders, through an extended, sustainable and ongoing program of best in class open-access science-based events and digital products.

Amplify scientific innovation, sector impact and professional development by championing great science and people through platforms, recognition and awards.

Demonstrate sector leadership in best practice for sustainability, inclusivity, representation, equality and diversity for our teams, delegates and target patient cohorts.
