POSTER SUBMISSION AT ELRIG EVENTS

A Poster at an ELRIG event will be both a physical and digital poster. **The physical poster should beA0 Portrait and there will be a board reserved for you in the Exhibition Hall.** The digital poster requires a PDF (Max 5mg) to be added to your poster at registration.

How to submit a poster:

To submit an abstract, first you must register for the event Upcoming Events – ELRIG

Once registered, you will be able to "Turn onAbstract Submissions" From here you can manage your abstracts.

Please see the poster section on the event page for the submission deadline.

If you have already registered, you can login to your account here and "Turn on Abstract Submissions"

What you need to know:

Abstract Title Max of 255 characters

Abstracts Max of 2000 characters.

We recommend that you prepare your abstract off-line and then copy and paste into this box. Bold,Italic and other HTML markings-up do consume characters, so extra storage is available, but try andaim for less than 2000 plain text.

Authors Max number of authors is fourteen.

We require the first initial (second optional), last name, email address and institution that mostpertains to the work.

Attachments Max Upload 5Mb

Your Poster PDF supporting document required.

Disclosure The Editor requires authors to disclose any commercial associations that might pose aconflict of interest in connection with the submitted article.

All sources of funding for work should be acknowledged, as should all institutional affiliations of the authors (including corporate appointments). Other kinds of associations, such as consultancies, stockownership or other equity interests or patent licensing arrangements should be disclosed to the Editor in the field here. If no conflict of interest exists, please choose 'No Significant relationships'.
The Editor reserves the right to reject manuscripts that do not comply with these requirements. Theauthor will be held responsible for false statements or for failure to fulfil the requirements.

Submit

After you complete all sections the "submit" button will be available. However, your data is alwayssaved and you can edit, submit and re-submit any time up to the deadline.

Status

Waiting for review process to complete – the ELRIG team need to check that all the informationneeded has been added. Once complete the abstract will be accepted.
