

ELRIG EVENTS 2023

ELRIG is a learned society that organises scientific conferences and forums, for the European drug discovery community. Meetings will have anywhere between 40 to 1500 attendees. Meetings may be an afternoon only to 2 days in length and have a very narrow focus or contain a broad range of topics, applicable to many research areas within the drug discovery community. All events are free-to-attend, simply register at elrig.org. Future events for 2023 are:
