What can you expect at an ELRIG event?

Your customers, both future and current

Unlike most other life science conferences, ELRIG events are free to attend, making high-quality scientific programming accessible to all in the life science community.

Carefully selected venues

In some cases, ELRIG events are held within pharmaceutical companies and open to all company scientists enabling the broadest possible engagement.

Networking focus

All ELRIG events are structured to include plenty of networking breaks to maximize the amount of time our delegates spend with exhibitors. Even the refreshments are served in the Exhibition Hall so delegates have no reason to leave the area.

Unrivalled reputation

Simply put, ELRIG events are renowned for their engaging programme, market-leading exhibitions and popular poster sessions in an inclusive environment.

Scientific excellence

Expertly curated programmes of cutting-edge content, developed in collaboration with leading scientists. We welcome input from our exhibitor community and corporate partners who can showcase their scientific expertise in a sponsored presentation.

Designed for exhibitors

Our exhibition pricing is all-inclusive: there are no surprises or hidden costs. Flooring, electrical supply and basic furniture are included.

So, too, are lead capture technology, and pre- and post-event digital marketing to:

- 22,000 ELRIG community members with distinct email addresses
- > 6,000 community members following us on LinkedIn, > 1,500 on X (formerly Twitter), and ~300 followers on Instagram

2025 events

FEBRUARY

Target innovation and novel screening technologies
ELRIG's German Forum
Berlin, DE

WORD+ 2025 – 3rd Annual World Organoid and Organ-on-a-chip Research Day+
11 - 13 February 2025
Cambridge, UK

MARCH

Research & Innovation 2025 – Big molecules to big data
10 - 11 March 2025
London, UK

Advances in cell and gene therapy
ELRIG's UK Forum
20 March 2025
Cambridge, UK

MAY

Therapeutic Oligos 2025 – Drugging the undruggable with therapeutic oligos
14 - 15 May 2025
Gothenburg, SE

Cellular models and organoids
ELRIG's Swiss Forum
Basel, CH

JUNE

Neuroimmunology in drug discovery
ELRIG's USA Forum
Boston, USA

SEPTEMBER

Functional genomics and CRISPR technologies
ELRIG's Scottish Forum
Glasgow UK

OCTOBER

Drug Discovery 2025 – A festival of life science
21 - 22 October 2025
Liverpool, UK

NOVEMBER

High-content imaging and flow cytometry in drug discovery 2025
19 - 20 November 2025
Stevenage, UK

DECEMBER

AI in automation
ELRIG and SLAS Joint Meeting
London, UK

Conferences

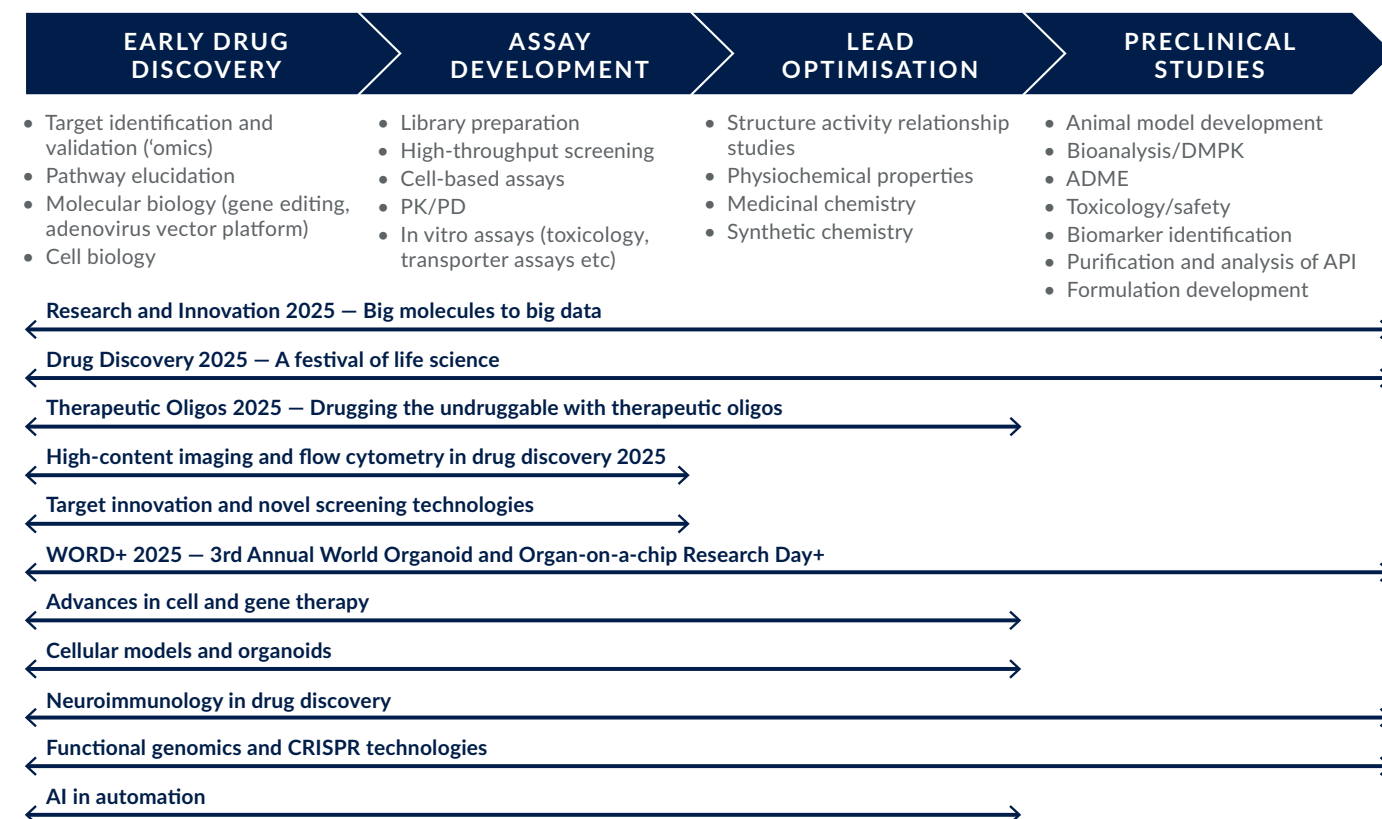

Conferences are two-day events with at least 15 presentations devoted to the spectrum of scientific disciplines that make drug discovery possible. Each conference features an exhibition that runs concurrently with the scientific programme, creating an environment conducive to networking and collaboration. Delegate numbers range from 300 – 2,500. For more details on delegate statistics and programming, please see the relevant event flyers which can be found at www.elrig.org/as-an-exhibitor and www.word2025.com.

Forums

ELRIG's forums are one-day events with six presentations, the programme allowing in-depth exploration of a single theme. The forums are ideal for broadening your perspective while connecting with approximately 100 like-minded delegates in an informal atmosphere.

Due to the more informal nature of the forums and venue size, the exhibition is usually restricted to six table-top exhibitors who each have a 5-minute talk and a single forum partner 15-minute presentation opportunity.

The infographic below demonstrates the applicability of each conference and forum across four key stages of research:

Conferences: Exhibition and presentation opportunities

For all exhibitors:

- GDPR-consented registration and attendee email list for a one pre- and one post-event email;
- Lead-capture capability within the event app (for booth staff registered as exhibitors);
- Company listing in event website, programme and app;
- 250-word company overview with hyperlinks within the event app;
- Marketing suite of graphics and wording.

Booth (all-inclusive): Shell scheme (Drug Discovery) or table-top (all other events) booth, with furniture (1.8m x 1m table, 2 chairs), carpeting and electrical supply (one socket) included. Two meeting passes (4 in the case of Drug Discovery) are included. Additional passes can be purchased.

Technology Spotlight: Increase your visibility and increase booth footfall with a 5-minute Technology Spotlight presentation package. The Technology Spotlight presentation is integrated into the scientific programme. The package includes a booth (all-inclusive).

Industry Insider: Highlight a specific offering and reinforce your message with a compelling case study in a 15-minute podium presentation included within the main programme. Speaker information and abstract are posted in the app and online program. An effective way to demonstrate your expertise and innovations. The package includes a booth (all-inclusive).

Conference Partner: Showcase your latest breakthroughs, leading-edge technology or product updates to the entire audience in a 30-minute presentation (equivalent in length to that of an invited podium presentation). The content of your presentation must align with the track theme and explore the need for and science underpinning your innovation while not being overtly promotional. Speaker information, title and abstract are included in the app and webpage, and speaker and title are listed in the printed programme. Includes an all-inclusive double booth. Additionally, for Drug Discovery you will receive two invitations to the Chair's reception.

Conference	Booth (all-inclusive)	Technology Spotlight	Industry Insider	Conference Partner
Research and Innovation 2025 – Big molecules to big data	£4,250	£5,250	£6,750	£13,500
Therapeutic Oligos 2025 – Drugging the undruggable with therapeutic oligos	£4,250	£5,250	£6,750	£13,500
Drug Discovery 2025 – A festival of life science	£5,500	£6,500	£7,850	£15,000
High-content imaging and flow cytometry 2025	£4,250	£5,250	£6,750	£13,500

Forums: Exhibition and presentation opportunities

For all exhibitors:

- GDPR-consented registration and attendee email list for a one pre- and one post-event email;
- Lead-capture capability within the event app (for booth staff registered as exhibitors);
- Company listing in event website, programme and app;
- 250-word company overview with hyperlinks within the event app.

Booth (all-inclusive): Table-top booth, with furniture (1.8m x 1m table, 2 chairs), electrical supply (one socket) included. 5-minute talk and two full meeting passes (additional passes can be purchased).

Forum Partner: Showcase your latest breakthroughs, leading-edge technology or product updates to the entire audience in a 15-minute presentation. Your content must align with the track theme and explore the need for and science underpinning your innovation while not being overtly promotional. Includes a single booth, only one forum partner per event.

Forum	Booth (all-inclusive)	Forum Partner
Target innovation and novel screening technologies – ELRIG's German Forum	£2,750	£4,500
Advances in cell and gene therapy – ELRIG's UK Forum	£2,750	£4,500
Cellular models and organoids – ELRIG's Swiss Forum	£2,750	£4,500
Neuroimmunology in drug discovery – ELRIG's USA Forum	£2,750	£4,500
Functional genomics and CRISPR technologies – ELRIG's Scottish Forum	£2,750	£4,500
AI in automation – ELRIG and SLAS Joint Meeting	£2,750	£4,500

Discounts

Discounts are available for either multiple event bookings or multiple booths booked at the same event as shown in the table below:

Terms and Conditions

- Discounts apply to additional standard booths/events only.
- Discounts only apply to standard booth pricing, not to package pricing.
- Discounts detailed below for 3 or more booths are only available when booths are booked at the same time. Should additional booths be booked subsequent to an initial booking, a 5% discount will apply irrespective of number.

Multiple booking type	2	3	4	5+
Number of booths at the same event (% discount)	5	8	10	12
Number of events (% discount)	5	8	10+	12

Events: Sponsorship opportunities

Increase brand exposure even more with our sponsorship opportunities. Sponsor a scientific track, refreshments or get your flyers on auditorium chairs. Hold a workshop* during a conference.

Option	Conference	Forum
Coffee break sponsorship Strut cards on coffee stations, logo on holding slide, mention in programme and clickable link in the app	£2,000	£800
Lunch sponsorship Strut cards on coffee stations, logo on holding slide, mention in programme and clickable link in the app	£2,000	£800
Networking sponsorship - day 1 early evening Strut cards on bar, logo on holding slide, mention in programme and clickable link in the app	£3,000	£800
Chair's Reception Sponsorship for Drug Discovery 2025 4 invitations to the Chair's Reception, 5-minute talk, 2 pull-up banners, strut cards the bar, logo on holding slide, mention in programme and clickable link in the app	POA	N/A
Co-sponsorship of lanyards	POA	POA
Flyers/brochures on chairs Per track	£750	£750
Scientific track sponsorship Logo on track slides, in the programme and clickable link in the app	£500	£500

* Workshop rooms and spaces are available at some conference locations, please contact ELRIG.

The Breakthrough Zones in ELRIG's Research & Innovation and Drug Discovery Conferences are dedicated to start-up companies to showcase their science. To be eligible to participate in the Breakthrough Zone and enter the ELRIG Innovation Award competition, your company should have fewer than 25 full-time employees and/or a turnover < £2.5M. Included is an A0 poster space with tabletop area, a 5-minute flash presentation in the Breakthrough Zone Theatre*, the opportunity to compete for ELRIG's coveted Innovation Award which entitles the winner to a 10-minute presentation on the main stage and refund of the exhibiting fee. Breakthrough Zone participants receive a blinded GDPR-compliant delegate list for pre- and post-event outreach and access to the Event App's exhibitor features including lead capture.

Cost: £500

*Only at Drug Discovery 2025

Webinars and networking

ELRIG's webinars and networking events encourage broad participation across our community. These events underscore our ethos that everyone is welcome, irrespective of seniority or location.

While there are no formal exhibitions in this event category, interested organisations can enhance their visibility by sponsoring our webinars and networking events. In-person events are hosted at multiple locations. Detailed pricing is available upon request for both online and live events.

2025 webinars and network events will take place in the months indicated below:

APRIL

ECP Webinar

MAY

Pint of Science

JUNE

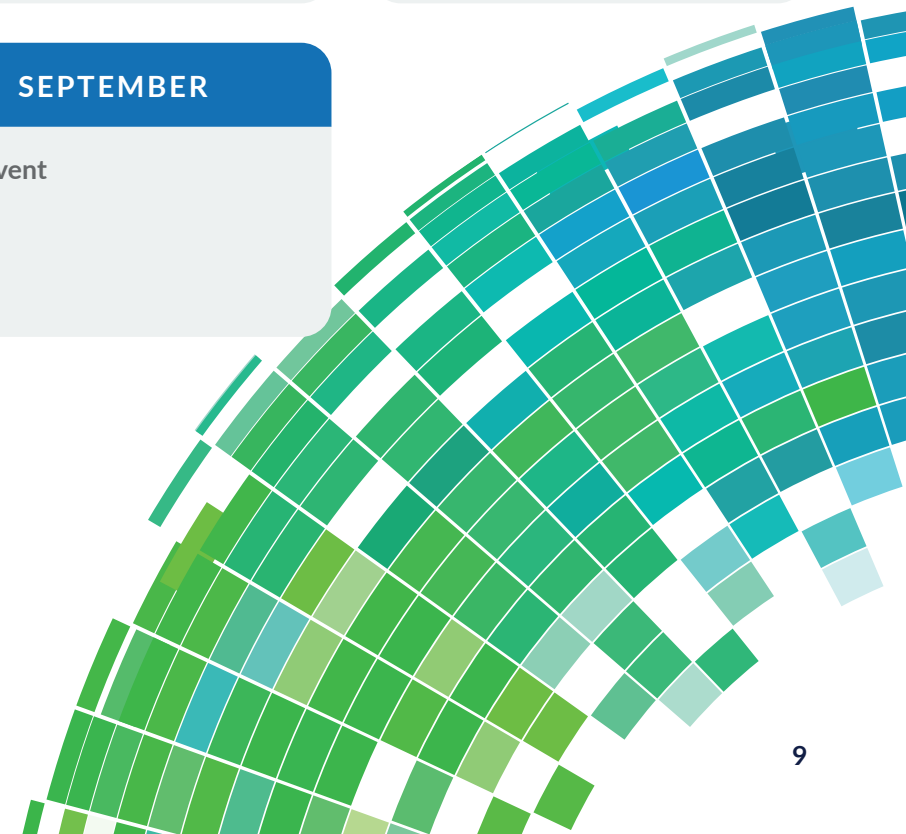

ECP Webinar

JULY

ELRIG Summer Social

SEPTEMBER

ECP Event

Exhibitor support

ELRIG aims to support our exhibitors across the whole year, not just at our events. For this purpose, ELRIG has developed a network of partners that offer our community both free and discounted services, such as training in best practices in sales and marketing.

Exhibitor checklist and FAQs

Before an event

No later than 10 days before*

- Send a high-resolution copy of the company logo.
- Confirm the corporate name under which the company will exhibit.
- Register exhibitor staff via the Exhibitor Portal.
- Ensure exhibition staff download the ELRIG app and familiarise themselves with the lead capture features.

No later than 7 days before

- Provide ELRIG with an Insurance Certificate documenting that the company has Public and Employee Liability Insurance of at least £1M. Certificates should be sent to events@elrig.org.

* No later than 45 days before the event for inclusion within the printed programme (should one be prepared for the event)

Payment terms

Payment Terms are net 30 days of the issue date of the invoice or at least 7 days before the commencement of the event, whichever is sooner.

Cancellation

The cancellation fee payable by an exhibitor will be determined by when the notice of cancellation is given relative to the timing of the event.

Full terms and conditions can be found at:

www.elrig.org/wp-content/uploads/2024/04/ELRIG-UK-Ltd-Terms-and-Conditions_17424.pdf

General information can be found at: www.elrig.org/as-an-exhibitor

revvity

“Revvity attends ELRIG events as they are well organised and their high quality scientific content attracts scientists across academic, biotech and pharma Life Science research areas providing networking opportunities to meet new and existing contacts.”

About ELRIG

Who we are

ELRIG, a market-leading UK-based not-for-profit volunteer-led organisation, is dedicated to delivering inspiring events to the dynamic life science community.

Our roots were originally in the application of automation, robotics, and instrumentation in laboratories, although we continuously evolve to meet the sector's shifting needs.

With a global community of over 22,000 life science professionals across all levels, ELRIG remains committed to accessible and inclusive events. Participation at our conferences, forums and networking events is free and unrestricted, reflecting the rich diversity of our community, and enabling learning and collaboration across disciplines, academia, and biopharmaceutical organisations.

Strategic Pillars

Events

- Best in class events
- Curated topical content
- Free to attend

Presence & Awareness

- Trusted brand
- Cross-community collaboration
- Growing digital presence

Equality, Diversity & Inclusivity

- Accessible to all
- Promoting engagement and collaboration
- Celebrating diversity

Sustainability

- Ethical and transparent
- Operational excellence
- Environmentally and economically sustainable events

Corporate Partners
