

Innovations in New Drug Modalities & Biologics

3 December 2024

Royal Society of Medicine, London

A joint networking forum between ELRIG and SLAS

Welcome to this joint networking forum between ELRIG and SLAS, where industry leaders, researchers, and innovators come together to explore groundbreaking pharmaceutical advancements. From revolutionary mRNA technologies to cutting-edge developments in antibodies and cell and gene therapies, this event celebrates the transformative innovations shaping the future of drug discovery and therapeutics. Let's ignite collaboration, spark ingenuity and drive progress in this dynamic era of medicine.

Time - GMT	Title
09.00 – 10.15	Registration & Refreshments
10:15 – 10:25	SLAS-ELRIG Welcome & Introduction
10:25 – 10:55	Keynote Speaker & Q&A: Chris Molloy (Medicines Discovery Catapult) Topic: Innovation and the discovery of new modality medicines - a view from MDC/UK
10.55 – 11.25	Speaker & Q&A: Lucy Edwardes Jones, M.Sc. (BGF) and Melissa Guven, Ph.D. (Monograph Capital) Topic: Innovation for new medicines from VC POV
11.25 – 11.30	Technology Spotlight: Catherine Wark (BMG LABTECH) Topic: The PHERAstar FSX with enhanced dynamic range and advanced assay stability
11.30 – 12.10	Refreshment Break
12.10 – 12:40	Speaker & Q&A: Johanna Huchting, Ph.D. (Fraunhofer ITMP ScreeningPort) Topic: TPD screening workflows and showcase performance through examples of targets that are well-known and advanced in the TPD field
12:40 – 12:45	Technology Spotlight: Liyah Dholiwar, M.Sc. (Labman) Topic: Designing unique lab technology that fits your workflow
12:45 – 12:50	Technology Spotlight: Promega
12:50 – 13:20	Speaker & Q&A: Thomas Richardson, M.S., Ph.D. (Pear Bio)
13.20 – 14:40	Lunch Break
14:40 – 15:10	Speaker & Q&A: Pär Matsson, M.Sc., Ph.D. (University of Gothenburg) Topic: RNA, peptide therapeutics
15:10 – 15:40	Speaker & Q&A: Marija Mustapic, M.Sc. (Masterpiece Ventures) Topic: AI meets Meet Drug Modalities
15:40 – 15:55	SLAS Innovation AveNEW Speaker: Jeroen Verheyen, Ph.D. (Semarion) SLAS Europe 2024 Innovation AveNEW Winner
15:55 – 16:10	ELRIG Drug Discovery Breakthrough Speaker: William Lee, Ph.D. (Constructive Bio) ELRIG Drug Discovery Breakthrough Winner
16.10 – 16.15	Closing Remarks
16:15 – 17:00	Networking with Refreshments
